

Cubs December Newsletter

Hello ParentShare families! I know I'm handing out December's newsletter a little early but I wanted to give you some extra time to prepare for December. Time always seems to fly this time of year. Please be sure and mark your calendar for some important dates we have this month.

We will be having our class Christmas party on Thursday, December 13th. As a part of our class Christmas party we will be decorating gingerbread houses. This is a ParentShare tradition and a favorite of all. We are asking each family to box of Honey Maid Graham Crackers, a can of white frosting, and a 10"x10" cardboard square covered with foil with your kiddo's name on it. I need these items brought in by December 6th. Please also bring a new wrapped book (under \$5) for the book exchange that will take place during our party. I do not need to have the book at school early, just have your child bring it on December 13th. We will have lots of fun decorating gingerbread houses, playing games and exchanging gifts. Parents, I'd love to have you join us for this fun day.

On the evening of December 17th is our special Christmas program. It will start at 6:00pm sharp! Please have your child in the preschool room by 5:45. Have them dress in their best. There will be refreshments afterwards. Please look for the cookie signup posted above the cubbies. This is a very special event you don't want to miss! Plan on bringing your cameras. Please invite family and friends to join us. The program will be held upstairs in the Sanctuary of St. Johns.

In summary...

Class begins again on January 8th. I hope all of you have a wonderful Christmas and a fun winter break. I look forward to seeing you all when we get back from break. As always, please don't hesitate to contact me with any questions or concerns. I'm very grateful for all of your help volunteering and your support of ParentShare Preschool.

Merry Christmas,
